To apply to enrol in a course, please contact us to express your interest. You will be sent a Course Outline as well as an Enrolment Form to complete. You will also need to provide evidence that you meet the Entry Requirements of the course (as indicated on the Course Outline) such as verified copies of qualifications, identification including your passport, schooling and evidence of English Language level (within the last 2 years) such as IELTS or TOEFL.

If you are applying for Credit (VET students only) you should indicate this on your enrolment and supply certified copies of your transcripts so we can assess your application for Credit. See the section on Credits in this Handbook below.

International Student Handbook

Once you have completed your enrolment form and gathered all the necessary evidence, send it to principal@cc.nsw.edu.au or Level 1, 225 Clarence Street, Sydney NSW 2000. You will be contacted within 10 days to discuss your suitability and arrange an Entry Interview if your application is progressing. At the Entry Interview you may be required to undertake a Language, Learning and Numeracy assessment to assess your suitability and support needs.

If your application is approved you will be provided with a Written Agreement that outlines the Terms and Conditions of your enrolment with Centennial College. **You must keep a copy of this for your own records.**

You will then be required to pay your enrolment deposit and provide any additional evidence before finally receiving your electronic Confirmation of Enrolment letter (eCoE) as well as further information about your first training session and anything you need to bring or prepare prior.

UNIQUE STUDENT IDENTIFIER (USI)

A Unique Student Identifier (USI) is a reference number made up of numbers and letters that creates a lifetime record for an individual of all the nationally recognized training that has been completed. Under the Unique Student Identifiers Act 2014, all RTOs must ensure they have a valid USI for any student that enrolls in nationally recognised training from 2015. This means (unless you have an exemption issued by the USI registrar) that as a student you must either:

- Provide us with your USI, or
- Provide us with permission to access or create your USI on your behalf.

If you are providing us with permission to access or create your USI we will need a valid form of identification. The ID that you provide for this purpose will be destroyed once we have used it for this purpose.

If you would like to create your own USI, please visit: <http://www.usi.gov.au/Students/Pages/default.aspx>

We are unable to issue a qualification or a statement of attainment unless we have a valid USI or a notice of exemption from the registrar.

For information about exemptions for individuals please review this webpage: <https://www.usi.gov.au/training-organisations/training-organisation-requirements/exemptions-individuals/how-apply>

VISAS

Once you receive your electronic Confirmation of Enrolment, you will need to apply for your visa. Information about applying for a visa can be found at:

<https://www.homeaffairs.gov.au/>

This document explains the process for application, evidence that you must provide (including a valid passport), information on student visa conditions, permission to work, Overseas Student Health Cover and charges associated with the visa application. You may wish to use a registered migration agent to assist you with the process of applying for a course to arrival at Centennial College and including assistance with visas. Contact us for details of the education agents that we use.

Ensure that you allow enough time between lodging your application and the start of your course, as applying for a visa can be a lengthy process.

If your visa is not approved, you will receive a full refund for the fees that you have paid.

International Student Handbook

VISA CONDITIONS

If you are granted a visa, you must abide by its conditions. Failure to comply with these conditions may result in the cancellation of your visa.

Conditions include (but are not limited to) that you must:

- Satisfy attendance and/or course progress requirements and maintain a valid enrolment for your chosen course of study.
- Only work if you have been given permission to do so as part of your visa grant.
- Maintain approved Overseas Student Health Cover (OSHC) while in Australia
- Notify your training provider of your Australian address and any subsequent changes of address within 7 days.
- Complete the course within the duration specified in the CoE.
- Remain with the principal education provider for 6 months unless you are issued with a letter of release from the education provider to attend another institution.

ARRANGING TRAVEL AND DOCUMENTS TO BRING

Costs of travelling to Australia are not included in your course fees and you will need to arrange and pay for your travel to Australia. You should plan to arrive in Sydney at least 2 weeks before your course orientation to give you time to settle in.

You will need to prepare a folder of official documents to bring with you to Australia including:

- Valid passport including a valid student visa
- Your Confirmation of Enrolment (CoE)
- Insurance policies
- Original or certified copies of documents such as your birth certificate, medical records and educational qualifications as advised by Centennial College at the time of confirmation of enrolment.

If you are travelling with your family you will need to include their documents as well. Keep all documents in your carry-on luggage. In case you lose the originals, make copies that can be left behind with family and sent to you.

ENTRY INTO AUSTRALIA

When you arrive in Australia, you will need to show your passport and incoming passenger card at a Customs and Immigration checkpoint. You may be asked questions about your stay before your passport is stamped and handed back

Once you have passed through the Immigration checkpoint, you should collect your bags ensuring that you check your baggage and check that nothing is missing or damaged. If something is missing or you notice damage, go to the baggage counter and advise them of your problem. Staff at the baggage counter will help you to find missing baggage or lodge a claim for damage to your belongings.

Once you have your luggage you will go through customs where your luggage may be checked. Australia has strict quarantine laws to stop people from bringing in certain food and plant items. You should declare any items that you are bringing in on the form given to you on the plane. If customs officers decide that the item you are bringing in are not safe, they will be confiscated and destroyed. If you fail to declare or dispose of any

International Student Handbook

quarantine items, or make a false declaration, you may receive a fine or be prosecuted. All international mail is also screened and checked by customs.

ARRIVING IN AUSTRALIA

Getting from Location airport to your accommodation

Sydney International Airport

Located 8 km (5 min) south of Sydney city centre, in the suburb of Mascot.

Transport options for leaving the airport are here: - <https://www.sydneyairport.com.au/airport-guide/arriving/international/transport-options-international>

International Student Welcome Desk:

The welcome desk is staffed by local and international student volunteers through a work integrated learning program. The volunteers greet students and offer orientation advice including maps and information about accommodation and transport. iPads on the desk also offer information and will direct students to StudyNSW's website <http://www.study.sydney>

Location: Beside the Airport Ambassador's desk in Arrivals Hall A International Terminal.

Hours: During peak periods the desk is open from 7-11am and from 6-10pm, 7 days a week. Outside of the semester intake period the desk will be open on Friday, Saturday and Sunday from 7am-12pm.

Keeping in contact

Before you leave home, you should provide your family and friends, and your education provider in Australia, with details of your flights to Australia and where you will be staying when you arrive. (Do not change these details without informing them.) Once you have arrived in Australia, you should then let your family and friends know that you have arrived safely. For safety reasons, always let someone know where you are.

Arranging your finances

The currency of Australia is the Australian Dollar. Ideally, you should change your money into Australian dollars before you arrive but if you haven't you will need to change some as soon as you arrive – you will usually be able to do this at the airport.

Once you have arrived into Sydney you can also change more money into Australian dollars at any bank or currency exchange. Note, however, that banks are not open on the weekend and while airport currency exchanges are generally open, the rate is usually not as good as with a bank.

You should not carry large sums of money with you and it is best to only have the money that you will need for the first few days and then arrange to have the rest of the funds transferred to you in Australia.

The amount you will need to bring with you will depend on whether you have already paid for your accommodation before you arrive. Think about how much money you will need to last you for a couple of weeks.

HEALTH

Emergencies

For emergencies such as fire, ambulance or police, phone 000. When you dial 000, you will be asked whether you want fire, ambulance or police and why you want this assistance. You will also be asked for your name and address and telephone number.

Australia police protect people and properties, detect and prevent crime, and preserve peace for everyone. They are not connected to the military or politics. The police can help you feel safe.

International Student Handbook

Fire

The fire brigade extinguishes fires, rescues people from fires in cars and buildings, and helps in situations where gas or chemicals become a danger. As soon as a fire starts call 000 no matter how small or large the fire may be.

Ambulance

Ambulances provide immediate medical attention in an emergency and emergency transportation to hospital. To access an ambulance, call 000.

Medical assistance

Emergency medical treatment is available 24 hours a day at the emergency or casualty department of a public hospital, or at some medical centres. Public and private hospitals are listed in the White Pages telephone directory under 'Hospitals' and you can also find them by searching on the internet. If you need to go to hospital, remember to bring your health insurance card and any medicines you are currently taking. For anything other than an emergency, seek medical help from a general practitioner (GP) or local medical centre.

Overseas Student Health Cover

Australia has a special system of health cover for international students called Overseas Student Health Cover (OSHC). You will need to buy OSHC before you come to Australia to cover you from when you arrive. The Department of Home Affairs requires you to maintain OSHC for the duration of your time on a student visa in Australia.

You can choose to take out OSHC with a provider recommended by us, or with the Australian OSHC provider of your choice. There are five providers of OSHC in Australia. Visit these websites to find detailed information on what they cover and to decide which provider is right for you.

- Australian Health Management OSHC www.ahmoshc.com
- BUPA Australia www.overseasstudenthealth.com
- Medibank Private www.medibank.com.au/Client/StaticPages/OSHCHome.aspx
- OSHC Worldcare www.oshcworldcare.com.au
- NIB OSHC www.nib.com.au/home/newtonib/overseasstudents

Your OSHC will help you pay for any medical or hospital care you may need while you're studying in Australia, and it will contribute towards the cost of most prescription medicines, and an ambulance in an emergency.

For more information on what your OSHC insurance covers, as well as what to do if you need treatment, refer to the Department of Health and Ageing's (DoHA) [Frequently Asked Questions](#).

OSHC does not cover dental, optical or physiotherapy. If you want to be covered for these treatments you will need to buy additional private health insurance, such as:

- Extra OSHC provided by some OSHC providers;
- International travel insurance; or
- General treatment cover with any Australian private health insurer. You can find a list of these providers and search for the one that suits you best at www.privatehealth.gov.au or www.iselect.com.au

LIVING COSTS IN AUSTRALIA

Migration regulations in Australia require international students to show evidence that they can contribute to the cost of living and studying in Australia. This helps to ensure students are better able to make the most of their studies and have a safe and enjoyable experience in Australia.

International Student Handbook

While international students are able to supplement their income with money earned through part-time work in Australia, the 'living costs' requirement helps to support the success of students in their studies by ensuring that they don't have to rely on such work to meet all their expenses.

From 1 July 2012, the basic rate of living costs under the Migration regulations increased. Under these regulations prospective student visa applicants and their family members must have access to the following funds to meet the living costs requirements:

- AUD\$18,610 a year for the main student;
- AUD\$6,515 a year for the student's partner;
- AUD\$3,720 a year for the student's first child; and
- AUD\$2,790 a year for every other child and where required.

Students must demonstrate that the funds they are relying upon to meet the costs of studying in Australia will be genuinely available to them during their stay in Australia.

The figures above are indicative only and that costs can vary significantly depending on where you live in Australia. You should be prepared in case your living costs are greater than the indicated figures.

For more information visit the Department of Home Affairs website.

BUDGETING

Once you've settled in, you should ideally work out a budget that covers costs including clothing, food, accommodation, transport and entertainment, travel costs and child care, if applicable.

Costs associated with living in Australia are included at:

<https://www.studyinaustralia.gov.au/english/live-in-australia/living-costs>

It is important to be aware of how much money you spend and where you are spending it. Sticking to a budget will ensure you are on top of where your money goes.

Read more about budgeting at www.understandingmoney.gov.au

SHOPPING

All Australian major town centres and capital cities shopping facilities with opening hours generally 9.00am to 5.30pm seven days a week, with late night shopping until 9.00pm on Thursdays or Fridays. Some supermarkets are open 24 hours a day seven days a week.

Mainstream grocery stores in Australia include Coles, Woolworths, Foodworks, IGA and Aldi. Major department stores in Australia include Myer and David Jones, Big W, Kmart and Target.

CLOTHING

While there are no set rules on clothing in Australia, however many workplaces, restaurants, clubs and bars have a dress code. Australian people generally dress in modern clothing influenced by personal taste, status, place of work, lifestyle and location.

The cost of clothing in Australia can vary. There are a number of quality variety stores such as K-Mart and Big W where you can find low cost clothing and shoes of all varieties. Department and specialty stores such as Myer and David Jones carry more expensive higher end clothing labels.

FEES AND REFUNDS

1. Protection of fees paid in advance

- Centennial College protects the fees that are paid in advance by both domestic and international students.
- All course fees will be held in a separate bank account that can only be drawn down when the student commences. The course fees are held separately from the day-to-day operating expense accounts, so that if a refund is payable before the student commences, the refund can be made in full and in a timely way without impact on the financial operations of the business or recourse to the tuition protection system.
- For domestic students, fee protection is ensured through:
 - Centennial College does not require a student to ever pay more than \$1,500 in advance for services not yet provided, either prior to course commencement or at any stage during their course.
- For international students, fee protection is ensured as follows:
 - Centennial College does not require international students to pay more than 50% of course fees prior to course commencement. However, Centennial College provides students with the opportunity to pay more than 50% of their tuition fees prior to course commencement if they wish. Where a student chooses not to pay more than 50% upfront, the remaining amount will be collected according to an agreed payment schedule. Note, however, that where a course is less than 25 weeks, Centennial College will require students to pay the full cost of the course prior to course commencement.
 - Centennial College pays into the Tuition Protection Service (TPS). The TPS is an initiative of the Australian Government. The role of the TPS is to assist international students whose education providers are unable to fully deliver their course of study. The TPS ensures that international students are able to either complete their studies in another course or with another education provider or receive a refund of their unspent tuition fees.

2. Fees and refund information

- Fee information relevant to a course is outlined in detail on the Student Agreement and summarised on the Course Outline as well as in Centennial College's Student Handbook. In compliance with Clause 5.3 of the Standards, detailed fee information is provided prior to enrolment or commencement of training, whichever is first.
- For international students, fee information is always provided prior to enrolment or receipt of payment as per the requirements of the National Code 2018 Standard 2 and 3. Fee information provided to domestic and international students includes:
 - All course fees, including both tuition fees and non-tuition fees and the period to which these fees apply
 - Any additional charges that may apply and the circumstances in which they apply
 - The potential for changes to fees over the duration of the course
 - Payment options (including that international students may choose to pay more than 50% tuition fees before their course commences)

CREDITS

A credit is formal recognition of the previous studies you have completed for the purpose of reducing the units or modules that you are required to complete in the course you are enrolled in with us.

Centennial College can grant you credit towards your course for units of competency or modules that you have already completed with another RTO or authorised issuing organisation. We can also grant you Credit for subjects or units you have completed where equivalence can be established between the unit/ module in your course, and the subject or unit you have completed.

There is no charge to apply for Credit.

To apply, fill in the Credit Application Form and submit it as part of your application for enrolment. You can apply for Credit at any time however it is best you do this as part of your enrolment so that Credits are known upfront and you are not required to do any work that you otherwise may not have needed to do.

Make sure you attach certified copies of transcripts from your previous study. In some cases we may ask for additional information about the subject or unit you previously studied so we can determine equivalence. Your Credit Application may be returned to you if you don't provide the required information.

In some cases, Credits may lead to a reduction in the course fees as there is less work involved in offering your course. This will be advised to you in writing.

You will be advised in writing of the outcome of your Credit Application.

RECOGNITION OF PRIOR LEARNING

Recognition of Prior Learning (RPL) is a process where skills and knowledge that you have gained through work and life experience and other unrecognised training can be formally recognised.

Centennial College has a process that has been structured to minimise the time and cost to applicants and provides a supportive approach to students wishing to take up this option. You should ideally apply for RPL at the time of enrolment but you may also apply up to 2 weeks into your course.

If you think RPL is a suitable option for you, the first step is to contact your trainer/assessor or our office and have a conversation about whether or not RPL might be suitable for you. Suitability is often determined on how much experience you have in a certain area, your work history and previous training. If RPL is determined as a possibility for you, you will be provided with a kit that will guide you in working through each

International Student Handbook

unit to determine relevant skills and experience and identify whether you would be able to provide the required evidence.

A trainer/assessor will be available to assist you throughout this process.

To apply for RPL, you will need to fill in a part of the kit and return it with an RPL Application Form. Your application will then be assessed for suitability and you will then be contacted by an assessor to progress the RPL process.

From here, usually the RPL process involves gathering evidence to demonstrate skills, knowledge and experience, responding to questions, completing tasks and depending on the area, observation of your work skills in your workplace.

Fees are applicable for Recognition of Prior Learning and you will be advised of these fees in the Course Outline.

For more information about submitting an application for RPL, contact the head office.

Reduction of Course Duration as a result of Credit or RPL

If Credit or RPL is granted after the acceptance of a place in a course or on commencement of studies and will affect the duration of studies, Centennial College will provide you with a new Confirmation of Enrolment Letter (CoE) including the new duration.

LANGUAGE LITERACY AND NUMERACY POLICY

Centennial College (the College) is committed to providing a high quality education and training service for all students. Development of language, literacy and numeracy (LLN) in students is an important component of education at The College's commitment to students and satisfies the Australian Quality Assurance Agency's requirements. The College is committed to supporting the LLN needs of students with a range of support mechanisms, and to assisting Learners to identify any LLN support needs they may have prior to enrolment. It is essential that VET students have the language, literacy, and numeracy (LLN) skills sufficient to successfully participate in training and assessment in the Vocational Procedure Education and Training (VET) sector. It is also essential that students have sufficient LLN skills at the completion of their training and assessment to work successfully in the chosen vocation. VET staff need to be aware of the LLN skills of a student; the LLN requirements of a Training Package; and the industry's expectation of LLN skills of its workforce in order to develop appropriate delivery and assessment materials.

Purpose of this policy is to ensure that students are supported in their Language, Literacy, and Numeracy needs through the completion of their training. This policy enables the academic staff members to identify any gaps in skills and to offer additional support with literacy or numeracy to assist students to better manage the requirements of their course of training.

The College has the responsibility to ensure that:

- LLN needs are identified and developed within the course materials and assessment tools by qualified Trainers and Assessors
- Relevant employees are provided with the necessary training to ensure they have to skills required to manage with LLN issues as they arise Language Literacy And Numeracy
- Administration staff will endeavour to ascertain students LLN information prior to course commencement and;
- In the event that a Trainer and/or Assessor identifies students with LLN difficulties, they implement appropriate strategies to assist them with their learning and;
- Students are provided with advice and support services in the provision of LLN assistance services
- The confidentiality of students who require additional support services and appropriate strategies are in accordance with our Privacy Policy

International Student Handbook

- Students or potential students who have been identified as requiring support with LLN are not discriminated
- Those students that require or request additional LLN support are referred to professional organisations.

For entry to Vocational courses overseas students with English as a second language must be able to demonstrate an English proficiency equivalent to 5.5 IELTS. In addition, VET students should provide evidence of completion of Year 12 or equivalent to demonstrate that their literacy and numeracy skills are adequate. If students are unable to provide this evidence, the college **will** require students to undertake an aptitude test to assess literacy and numeracy levels.

The College requests that students notify the College of any special assistance they may require in relation to literacy and numeracy. If additional charges apply e.g. for a scribe or for additional equipment, the college undertakes to notify the student prior to the commencement of the course. The College recognises that assistance with literacy and numeracy and language, may be necessary during some courses or programs as on-going language support is critical to the retention and success of overseas students.

ASSESSMENT

At the beginning of each unit or cluster, your assessor will go through the arrangements for assessment with you and you will be given all the details about the assessment requirements.

At this time you will:

- Be provided with detailed assessment instructions for each task/requirement which includes the criteria that you'll be assessed against.
- Be informed of relevant due dates or timing of assessments to be conducted

Your assessor will go through all of the arrangements with you and you can ask them any questions you have.

Submitting your assessments

You must submit written assessment tasks with a completed and signed Assessment Task Cover Sheet. The cover sheet asks you to make a declaration that the work is your own. Written tasks will not be accepted without a signed cover sheet.

Assessments can be submitted directly to the trainer/assessor or sent by registered mail to:

Level 1, 225 Clarence Street, Sydney NSW 2000

You must keep a copy of all tasks that you submit as we are not able to return copies because we must keep them as evidence in your file. Additionally, we will not be held responsible for any items that go missing in the post. If this occurs, you will be asked to re-submit the work.

Your assessor will provide you with written feedback and confirm the outcome of the task on the Task Cover Sheet.

Assessment outcomes

Each assessment task will be given an outcome of either Satisfactory (S) or Not Satisfactory (NS). You must complete all tasks for a unit satisfactorily to achieve an overall outcome of Competent (C) for a unit. If one or more of your tasks are assessed as Not Satisfactory, you will be given an overall outcome for the unit of Not Yet Competent (NYC). You can have 2 further attempts to complete the task and achieve a Satisfactory outcome. You will be given a timeframe for your resubmission and advised what you must include in your resubmission.

International Student Handbook

If, after the third attempt, you are still assessed as Not Satisfactory for a task, you will need to complete additional training and assessment to support you in achieving a Competent outcome. This may incur an additional fee for self-funded students as identified in the fees and charges information.

Reasonable adjustment in assessment

Some students may need modifications to assessments due to disability, illness or special considerations – this is called reasonable adjustment.

Reasonable adjustment can involve:

- Making training and assessment resources and methods more accessible e.g. providing learner workbooks in an audio format or on different coloured paper.
- Adapting physical facilities, environment and/or equipment e.g. setting up hearing loops.
- Making changes to the assessment arrangements e.g. more time allowed for assessments.
- Making changes to the way evidence for assessment is gathered e.g. written questions asked orally

Please speak to your assessor if you think that you may need an adjustment made. Note these adjustments are made at the discretion of your assessor based on your identified needs.

If you are found to have plagiarised, cheated or colluded, you will be given an opportunity to respond to the allegations. If you are found to have plagiarised, cheated or colluded, we will be required to take disciplinary action which is likely to require you to complete the assessment again.

COURSE PROGRESS POLICY

- Centennial College monitors student progress to ensure that students to complete their studies within the expected duration specified on their Confirmation of Enrolment.

2. Study Periods

- Students who do not meet course progress requirements within each Study Period are at risk of having their visas cancelled.
- Study periods may also be known as 'terms' and are described Training and Assessment Strategies and course outlines. They are designed to ensure the academic integrity of the course is upheld.
- Each study period is divided in half forming a monitoring point at mid and end points at which students are assessed for satisfactory course progress. A student must be identified as at risk prior to being reported as having not met satisfactory course progress requirements.

3. Determining if a student has meet course progress requirements

- In accordance with Standard 8 of National Code, Centennial College requires students to maintain satisfactory course progress. Centennial College expects students to maintain satisfactory attendance, as well as participate in classroom and homework learning activities. Students are also required to satisfactorily complete all their assessment tasks. Students will be monitored to ensure they are able to meet course progress requirements, for example, though assessing their participation in class and completion of learning activities including homework. The student will be provided with homework tasks at the beginning of each unit. At the end of the unit, students will need to submit completed homework tasks to their assessor along with assessment. Where it has been identified by the trainer that a student is not participating, they will be offered early intervention support.

International Student Handbook

- Students must have demonstrated satisfactory course progress requirements by the end each study period. To do so, they must have successfully completed (achieved satisfactory outcome on) all assessment tasks they were required to submit in the ending study period.
 - Assessment task due dates are outlined in the *Training & Assessment Strategy* and communicated to students at the commencement of each new study period.

4. Determining at risk students

- Students will be deemed at risk of not meeting course progression requirements if they:
 - do not participate in a summative assessment task.
 - do not submit an assessment task within 2 weeks of the due date.
 - have received an assessment outcome of Not Yet Competent for one or more assessment tasks.

5. Progress Monitoring

- All students progress will be monitored using the *Course Progress and Attendance Monitoring Tool*.
- At the end of each monitoring period:
 - The monitoring report is updated by the Director of Studies including a status of progressing, at risk or not progressing for all overseas students on each reporting date. This is based on current evidence located in student files and other academic records.
 - The Director of Studies will consult with academic staff if there is any uncertainty or more evidence needed to confirm or deny a student's course progress status.
- The monitoring report will also record commencement and review dates for all Intervention Strategies.

6. Intervention Strategy

- Centennial College ensures that it identifies, notifies and assist students where there is evidence that the student is at risk of not meeting course progress requirements.

 - For international students, Centennial College will maintain a student's enrolment throughout the internal appeals processes without notifying DET via PRISMS of a change in enrolment status. In the case of an external appeals process it will depend on the type of appeal as to whether Centennial College maintains the student's enrolment as follows:
 - If the appeal is against Centennial College's decision to report the student for unsatisfactory course progress or attendance, the student's enrolment will be maintained until the external process is completed and has supported or not supported Centennial College's decision to report.
 - If the appeal is against Centennial College's decision to defer, suspend or cancel a student's enrolment due to misbehaviour, Centennial College will notify DET via PRISMS of a change to the student's enrolment after the outcome of the internal appeals process

7. Independent Parties

- Centennial College acknowledges the need for an appropriate independent party to be appointed to review a matter where this is requested by the complainant or appellant and the internal processes have failed to resolve the matter. Costs associated with independent parties to review a matter must be covered by the complainant/appellant unless the decision to include an independent party was made by Centennial College.
 - For international students, the independent party is the Overseas Students Ombudsman. This service is free of charge. Where an international student is not satisfied with the outcome or conduct of the internal process, they are referred to the Overseas Students Ombudsman

(OSO). Information is available here: <http://www.ombudsman.gov.au/about/overseas-student-ombudsman-landing-page>

- All other complainants or appellants can find an appropriate independent party by calling the Resolution Institute on 02 9251 3366 or by searching the following directory, according to locality and area/s of concern: <https://www.resolution.institute/disputeresolverdirectory>
- Centennial College will provide complete cooperation with the external mediator investigating the complaint/appeal and will be bound by the recommendations arising out of this process.
- The CEO will ensure that any recommendations made are implemented within twenty (20) days of being notified of the recommendations. The complainant or appellant will also be formally notified in writing of the outcome of the mediation.
